

3<sup>rd</sup> May 2023

Dear Parents and Carers,

### **Sport for Champions – Friday 26<sup>th</sup> May**

We are very excited to announce that on Friday 26<sup>th</sup> May (last day before half term), we have an amazing event taking place.

Maddi Tarrant, who won Silver at the World Championships for Double Mini Trampoline, will be in school hosting an assembly, Q+A and telling us all about her career. Maddi will also be hosting a circuit for all children to participate in.

This is being linked with a chance to raise money for our school and to support other young athletes like Maddi.

Next week, each child will be coming home with a sponsorship form for this event. Every child will be rewarded with a sticker and a memorable moment whether sponsored or not (there is no minimum requirement for families to raise as this is a fully inclusive event) but every penny raised will be greatly appreciated. In order to promote this further:

- Raise between £5 - £14.99 and your child will receive an A6 postcard of Maddi.
- Raise between £15 - £34.99 and you will receive an A4 autographed photo poster, with her biography.
- Raise £35 or more and you will receive an instant photo of yourself and your athlete, presented to you in an autographed keepsake wallet (siblings welcome to have photo together) - if money is submitted by the deadline.

All sponsorship forms and money must be returned by 17<sup>th</sup> May, to ensure we are ready for the event.

There is also an option for online donations, by using our own crowdfunding link: <https://www.crowdfunder.co.uk/p/wellesleypark>. There is a QR code on the bottom of the sponsorship form which will take you to this page.

Kind regards

Miss Hill (PE Lead)
