Dear Parents/Carers,

## Year Group Termly Overview of Learning 2023-2024

We would like to welcome you back to school and hope that you had a joyful and well-rested summer holiday with your family. We are looking forward to an exciting year ahead.

The children have had a fantastic start to the term and we have been very impressed with how quickly they have settled back into the routines of school.

Attached to this letter, you will find an overview of the learning that your child will be completing during this term. We hope that this will help to keep you informed as well as providing a useful starting point for you to do some research, support homework or just have a conversation with your child about what they are learning at school.

Please don't forget to find us on Facebook where we will post photographs of activities/learning that we undertake at school.

If you have any questions at all, please speak with your class teacher.

With best wishes

*Carly Wilkins*
